

8" Digital Photo Frame

WITH HIGH 800x600 SCREEN RESOLUTION

DPX802

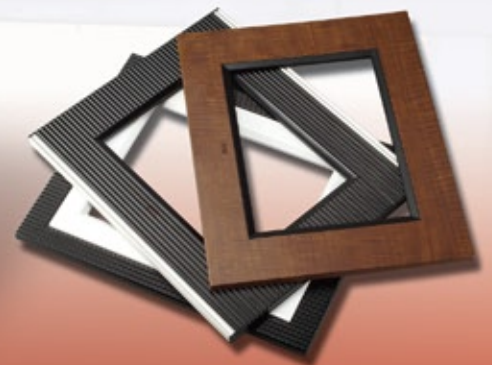

Frame your memories in premium style.

ViewSonic's Premium Décor 8" DPX802 photo frames show off your photo and video memories in high style on a HIGH 800x600 RESOLUTION SCREEN. Load pictures directly from your camera, computer or thumb drive. Create your own slideshow with special effects and accompany the slideshow with your favorite MP3 audio files. The INTERNAL BATTERY gives you the freedom to display your favorite photos anywhere. And the INTERCHANGEABLE FACEPLATES – wood, black and silver, or black and white – make the DPX802 the perfect complement in the office or any room in your house. The DPX802 is the perfect gift for any special occasion or as a thank you gift for colleagues and customers.
